J.R. Braumell I attach
a fair draft
in which James
is mentioned.
25.9

Attached is a draft of
Lileyan as a result of
my visit to Navy Department -
COC Kennedy's Lileyan was
my address to H.E. Sub
> think it is irrelevant to
addresses in draft -

I should like to have a copy
of Lileyan for my files
also the attached memorandum

25/9

also a copy for me
to send to Admiral
Freemantle -
