SECRET

THE UNDER SECRETARY OF STATE
WASHINGTON

June 29, 1941

Seen by W. H. H.

My dear Lord Halifax:

1/30

I have received your letter of June 28 with which you were good enough to enclose for my information a copy of the reply you had received from your Government in response to the statements I made to you in our conversation of June 26 about Iceland.

I have taken pleasure in communicating the contents of your letter and the enclosure to the President, as well as to the Chief of the General Staff and to the Chief of Naval Operations.

Believe me

Yours very sincerely,

His Excellency
The Right Honorable
The Viscount Halifax,
British Ambassador.
