Dear Hoyer Millar:

I have been told by London that the index of volunteers referred to in your cable to the Foreign Office, No. 242 of August 19th might be of assistance to us here for staff requirements.

If there is no objection to my seeing a copy of this cable, or at any rate having a copy of the list of volunteers referred to, would you be so kind as to give instructions for it to be sent to me?

Thank you so much. With kind regards.

Yours sincerely,

Richard Coit.
