Dear Coit,

Many thanks for your letter No. 364.

I enclose herein a copy of our telegram to the Foreign Office No. 242 Saving of August 19th. As regards the index of volunteers you will see that this is in process of compilation at the British Information Services in New York. I have no doubt they will be glad to let you have a look at it and I would suggest that you have a word with Foster on the subject as he has been taking a particular interest in it.
