Mr. R. Campbell  
 I have made some  
 suggestions. & see no  
 objection to it. as  
 reminder.

reference to  
 his reference  
 to be in the  
 first words.  
 but I think  
 he had better  
 rest his  
 participation  
 on India's  
 interest &  
 contribution!

Sir G. Bajpai brought the  
 attached draft telegram to the  
 Govt. of India this morning, and  
 asked whether I saw any harm  
 in its ~~being~~ sending it.

I said I did not know whether  
 anything that transpired at these  
 conferences was being telegraphed  
 in detail. If not, I thought the  
 telegram might go without the  
 passage between blue brackets.  
 He said that would suit him  
 quite well: he wanted to inform  
 the Vice-Roy he had been present  
 at the meeting. But if it was  
 legitimate to telegraph the whole  
 as drafted, he would be glad for  
 it

it to go, subject to G. E.'s approval  
and any corrections you might  
wish to make.

I said I would ask you.
